Jesus, Lover of My Soul with Variations

***Call To Worship**

Why do we gather to worship on this night?

To remember the table and the garden.

Why do we remember the table?

Here we taste God's love for us, given in broken pieces.

Why do we remember the garden?

Here we awake to God's love for us, poured out in prayers.

Why remember at all?

The table and the garden-they tell us who God is, and who we are.

Offering and the Lord's Supper

(Our offering tonight will go to people who have been betrayed. May our collective '30 pieces of silver' make a difference in the lives of people who know what Jesus felt in his betrayal. You will be invited to bring your offering up as you come for communion. If you cannot come forward, a server will come to you.)
